From the Chairman's desk

Chairman and Managing Director

Dear Shareholders,

It gives me great pleasure to connect with you all and share the key events of the past fiscal – both in terms of the Aquaculture Industry and your Company. I am happy to state that despite it being a challenging year, your Company has delivered a healthy performance and emerged as a robust business model.

Industry Trends & Outlook

While FY18 began on an exceptionally positive note, the last fiscal, that is, FY19, faced demand contraction on account of extended winters for two consecutive years and inventory pile up in some of the key consumption markets. This, coupled with overproduction in supplier markets like India, led to a correction in shrimp prices which began from January 2018 and continued for most part of CY18. On an average, the price correction has been to the extent of 15-18% y-o-y in fiscal 2019. Consequently, the lower prices dampened shrimp production in India which is estimated to remain flat y-o-y in fiscal 2019.

While, a balanced demand-supply situation is desirable for prices to remain stable, the sudden withdrawal by primary producers last year, led to a mis-match in certain sizes of shrimp

that were in demand; thereby causing order fulfilment times for some orders to get drawn out. However, with shrimp production anticipated to be lower and balanced (in terms of sizes) this fiscal, we expect the situation to correct in the near future.

Building an Integrated Business Model

In-line with our emphasis on building a fully Integrated Business Model, the past couple of years have been focused on Backward Integration when we increased our Farming activity to ~1,800 acres and added new Hatcheries. Having done that, in the last fiscal, FY19, the focus was more on enhancing our Pre-processing & Processing capacities and additional Product Lines as a measure of Forward Integration. Although there has been a construction related delay in completion of the new Processing plant, I am happy to state that presently, our readiness for trial production is in advanced stages.

The new plant which is expected to be operational in the current fiscal, will have an installed processing capacity of 20,000 MTPA, of which, 5,000 MTPA would be towards a new category of products called the 'Ready-To-Eat'.

We also added two new Hatcheries in FY19 which brings the cumulative breeding capacity to 1.2 to 1.4 billion SPF seeds.

With our expansion plans now in place, we aim to capitalize on our integration efforts in the current fiscal. We believe this would improve the product offering to our customers as well as profitability of our business.

The Road Ahead:

Our key focus areas in the current fiscal would be the following:

With our expansion plans now in place, we aim to capitalize on our integration efforts in the current fiscal. We believe this would improve the product offering to our customers as well as profitability of our business

- Operationalize the new Processing plant and enhance its utilization
- Focus on increasing sales of Ready-to-Eat products and the Value Added Products within the Ready-To-Cook category like Seasoned shrimp, Marinated shrimp, Vacuum-packed and such others
- Last fiscal we added higher business from the end-use Retail customers and aim to improve the mix further
- Foray into newer markets like China and the Middle East while continuing business with existing markets of the USA and European nations

Lastly, I would like to thank all our employees, customers, shrimp farmers and stakeholders for their support and faith in us. We promise to strengthen our endeavor for delivering robust performance year-on-year.

Report on Corporate Governance

1. Company's Philosophy on Code of Governance

The philosophy of the Company in relation to corporate governance is to ensure transparency in all its operations, make disclosures and enhance shareholder value without compromising in any way on compliance with the extant laws and regulations. Your Company continuously endeavors to review, strengthen and upgrade its systems and processes so as to provide timely and accurate disclosure of information regarding the financial situation, performance, ownership and governance and firmly believes that business is built on ethical values and principles of transparency.

A Report on compliance with the principles of Corporate Governance as prescribed by the Securities and Exchange Board of India (SEBI) in Chapter IV read with Schedule V of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 is given below:

2. Board of Directors

Size of the Board

The composition of Board is in consonance with the requirements of Regulation 17 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. As on 31st March, 2019, Board of the Company consisted of Six(6) Members. The Company has Three(3) Promoter Executive Directors (including women director), out of which one director is the Chairman & Managing director and Three(3) Non Executive Independent Directors.

All the Independent Directors have confirmed that they meet the criteria of independence as laid out under the Companies Act, 2013 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and amendments made thereto. The Board confirms that in its opinion the independent directors fulfil the conditions specified in SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and are independent of the management.

It is further confirmed that none of the directors of the Company have been debarred or disqualified from being appointed or continuing as a director of the Company by the Ministry of Corporate Affairs or the Securities and Exchange Board of India or any other Statutory Authority. The said affirmation is confirmed by the Practicing Company Secretary in the compliance certificate which is appended hereto.

Management's Discussion and Analysis

Annexure –IX

A. Economic environment

The World GDP stood at 3.6% in the year 2018 versus 4% in 2017 and is projected to decline further to 3.3% in 2019, as per IMF estimates. The growth was constrained by sluggish investments and risks including rising trade barriers, renewed financial stress and sharper than expected slowdown in several major economies. A downshift was seen in the first half of 2019, while improvement is expected in the second half on the back of significant policy accommodations by major economies and growth in global activities driven by emerging markets and developing countries.

The Indian GDP grew by 6.9% in fiscal 2019 and is projected to grow by 7% in the current fiscal (versus earlier estimate of 7.2% by the RBI). The decline in GDP growth estimate is on account of multiple factors like, fallout of NBFCs, low credit growth primarily leading to tight liquidity conditions causing an overall slump in the Indian economy.

B. Industry overview

Global Shrimp Industry

According to the FAO, the world production of farmed shrimp is estimated to be around 4 million tonnes during the calendar year 2018 (CY18), higher by 3-5% y-o-y. While the low-price factor affected shrimp production in India and Indonesia, it was China which reversed its negative production trend to post a 10% growth in CY18. Despite which, China continued to be a heavy importer of shrimp last year. Among the other conventional markets, imports increased marginally in the USA and Europe but de-grew in Japan and Australia.

In terms of the exporters, India stood at the leading position with a little over 6 lac MT exported in CY18, higher by ~7% y-o-y. Despite lower growth, the top markets continued to be USA, Vietnam and EU; notably, direct exports to China surged almost 3x (although on a low base) to 46,000 MT.

Outlook: As per FAO, the forecast for production in CY19 is similar to that of CY18 as persistent low price of shrimp could keep some of the farmers at bay. However, the longer-term growth drivers like rising per capita consumption of shrimp, higher protein content, etc. remain intact.

India Shrimp Industry

Globally, India ranks third largest in Fisheries and second largest in Aquaculture, based on FY18 data as per National Fisheries Development Board. India's seafood exports have been growing steadily in the past decade, recording a CAGR of 10% over FY09-18. The industry contributes about 5.2% to Agriculture GDP and about 1% to the country's Overall GDP. The total seafood exports from India in fiscal 2018 stood at 1,377,244 MT amounting to Rs 451 bn.

Of the total seafood exports, Frozen Shrimp forms almost 40% at 565,980 MT of sales in fiscal 2018 and amounted to Rs 309 bn. The share of shrimp has grown in the past decade primarily after the Indian Government allowed the commercial production of L. Vannamei specie in 2009-10. The key markets for Indian shrimp are USA, South East Asia and European Union, amongst others. India is the largest supplier of shrimp to the USA – close to 37% market share in fiscal 2019.

Break-up of Shrimp Exports FY18

Fiscal year 2018 and outlook

Although shrimp export in fiscal 2019 is estimated to be flat, in value terms the estimated drop could be 8-10% y-o-y. The tapering off demand which initiated in the second half of fiscal 2018, continued throughout the last fiscal 2019. The extended winters for two consecutive years and higher levels of inventory in consuming markets were the primary reasons for slowdown in demand. This coupled with an overproduction scenario led to a sharp fall in shrimp prices to the extent of 15-20% y-o-y. Consequently, a section of the primary producers in India could not absorb the price impact and altered their farming strategies, thereby leading to a mis-match in demand-supply of certain sizes.

While this has had an impact on revenues of both processors and farmers, we believe that a correction in prices and supply situation was imperative to bring stability in prices which in turn would enhance consumption of Shrimp in the longer term.

Medium term outlook on the Indian Aquaculture Industry:

India could continue to gain global recognition for being able to maintain its quality at competitive prices

- In absence of any large competitor and China becoming a net importer, India should be able to maintain its large pie of share in seafood exporters
- The Industry is likely to witness some level of consolidation at the Farming level
- Disease management to be a key area for Aquaculture industry. It can be controlled by proactive investments in technology aimed at higher productivity and better disease management

C. Business overview:

Company overview

The Company is an integrated producer and exporter of variants of processed L. Vannamei (White-leg) and Black Tiger shrimp. Our clientele consists of food companies, retail chains, restaurants, club stores and distributors spread across the markets of the USA and European countries.

Our integrated operations include five (owned + leased) Hatcheries with a combined breeding capacity of about 1.2 bn SPF seeds, Farming activity over ~1,800 acres of land (owned + leased) and shrimp Processing capacity of 15,240 MTPA (owned + leased).

Our total employee strength as of March 2019 stood at 2,500 permanent employees.

Fiscal year 2019 and outlook

While fiscal 2018 was an exemplary year in terms of financial performance and other milestones, fiscal 2019 was relatively a challenging one.

The Company's operational performance was affected by the demand-supply dynamics of the sector. The total shrimp volumes sold were at 13,051 MT as compared with 14,146 MT in FY18. Additionally, shrimp price correction of an average of 5% y-o-y in Indian Rupee terms led to a fall of almost 12% y-o-y in Total Income which stood at Rs 8,962 mn in fiscal 2019. However,

The new Processing Plant of 20,000 MTPA capacity is ready for trial production and the commercial production will commence after receiving the Regulatory Approvals and Certifications.

the profitability was largely maintained on the back of backward integration efforts and cost efficiencies; EBITDA margin stayed in its 12-13% range but absolute EBITDA and Profit After Tax declined in-line with revenue drop in fiscal 2019.

In terms of our geographical mix of revenues, the share of European Union lowered to 20% in fiscal 2019 from 24% in fiscal 2018. We believe this to be a one-time drop, primarily due to the market conditions and subdued demand in Europe. We continue to aim to better the mix in the coming years.

The greenfield project – Processing Plant of 20,000 MTPA capacity at Ragampeta, AP - is nearly complete and expected to be commissioned in the first half of the current fiscal. The total capex incurred as of end of July 2019 amounts to about Rs 108.5 crore, largely funded by IPO proceeds and small portion of internal accruals.

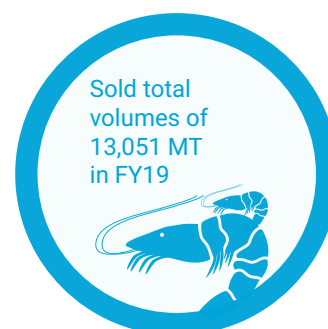

The outlook for your Company in the fiscal 2020 remains positive if the culmination of the following factors plays out, as anticipated:

- Shrimp price stability on account of lower production but in-line with demand pattern
- Consumption to improve as inventories are being utilised at the customer's end
- Commissioning of the new plant and foray into higher margin value added 'Ready-to-Eat' category

D. Opportunities and threats

Opportunities

With the advent of increasing focus on moving to healthier foods and sourcing quality proteins, the developed economies are relying more heavily than ever on seafood as compared to other forms of meat. With a long coastline and other geographical advantages, India has a competitive edge and is well suited for developing Aquaculture industry. The success story of L. Vannamei could be replicated for other species of fish and thereby strengthening India's position in the seafood export markets, globally. With our vast experience in handling seafood, we hope to be able to cater to this large opportunity.

Threats

The aquaculture activity is susceptible to the vagaries of natural calamities like floods and cyclones, during the culture season. As seen in other countries, the products that we offer are also susceptible to infections. Revenues may also get prone to volatility of international prices of shrimp, including duties and other levies. The industry has, however adopted and created best practices that are indicative of its development. Measures such as traceability and scientific pond management help reduce the impact of diseases. Hedging revenues also offers some protection against fluctuating forex rates.

E. Risk management

Your Company's revenues are largely realised in foreign currency. Further, the nature of the business requires us to invest in working capital and therefore requires us to manage our liquidity positions carefully.

Foreign Exchange Risk

We are exposed to exchange rate risk as a significant portion of our revenues are denominated in foreign currencies, while a large part of our expenses is incurred in Indian Rupees. Products that we export are paid for

in foreign currency. Any appreciation in the value of the Rupee against U.S. dollar or other foreign currencies would decrease the realization of Rupee value of our products. The exchange rate between the Rupee and each of the U.S. dollar has changed substantially in recent years and may continue to fluctuate significantly in the future. While we hedge our positions, recent movements in currencies could mean that a certain portion of the risk could still impact our profitability.

Liquidity Risk

Our approach to managing liquidity is to ensure, as far as possible, that we will have sufficient liquidity to meet our liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to our reputation. We have thus far managed to ensure that our relationships with our customers and suppliers are cordial and will continue working on that ethos.

F. Internal control systems

Your Company's independent and robust Internal Audit processes provide assurance on the adequacy and effectiveness of internal controls, compliance with operating systems, internal policies and regulatory requirements.

The Company has in place an adequate system of internal control commensurate with its size and nature of its business. These have been designed to provide reasonable assurance that all assets are safeguarded and protected against loss from unauthorized use or disposition and that all transactions are authorized, recorded and reported correctly and the business operations are conducted as per the prescribed policies and procedures of the Company.

The Audit committee and the management have, at periodic intervals, reviewed the adequacy of the internal control systems and suitable steps are taken to improve the same.

The Internal Controls are also essential for us to maintain the quality and consistency that our global customers expect of us.

G. Discussion on financial performance and key financial ratios

The Financial Statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

During the year, your Company recorded total income of Rs 896.2 crore as compared to total income of Rs 1,018.5 crore in fiscal 2018 and Net Profit/(Loss) for the period after tax for the fiscal 2019 stood at Rs 60.8 crore as compared to Rs 79.1 crore in fiscal 2018.

The Directors are pleased to recommend an Ordinary Dividend of Rs 2 per share for fiscal 2019. EPS of Rs 19.45 per share (excluding Dividend Distribution Tax).

Pursuant to Schedule V(B) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015:

Financial Ratio	Fiscal 2019	Fiscal 2018
Operating Profit Margin	12.40%	12.75%
Net Profit Margin	6.78%	7.77%
Debtors Turnover (x)	10.87	13.30
Inventory Turnover (x)	8.42	12.07
Current Ratio (x)	5.50	6.25
Interest Coverage Ratio (x)	15.30	13.94
Debt-Equity Ratio (x)	0.29	0.27
Return on Net-worth	17.12%	26.17%

Notes:

1. Net Profit margin and Return on Net-worth have been calculated based on Profit after Tax and before Other Comprehensive Income.
2. Debtor and Inventory Turnover ratio have been calculated based on Net Revenue.
3. Inventory Turnover reduced due to relatively higher inventory than sales growth
4. Return on Net-worth was higher for fiscal 2018 due to higher rate of growth in Net Profit.

Independent Auditor's Report

To the Members of Apex Frozen Foods Limited

Report on the Stand alone Ind AS Financial statements

Opinion

We have audited the accompanying standalone Ind AS financial statements of APEX FROZEN FOODS LIMITED ("the Company") which comprise the Balance Sheet as at 31st March, 2019, the Statement of Profit and Loss (including Other Comprehensive Income), the statement of changes in Equity and the Statement of Cash Flows for the year then ended on that date and notes to financial statements including a summary of significant accounting policies and other explanatory information. (herein after referred to as "Standalone Ind AS Financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Companies act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Indian Accounting Standards ('Ind AS') specified under section 133 of the Act read with the Companies (Indian Accounting standards) Rules, 2015 as amended, of State of affairs (financial position) of the Company as at 31st March, 2019, its Profit (financial performance including other comprehensive income), Changes in Equity and its Cash Flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Standalone Ind AS Financial Statements under the provisions of the Companies Act, 2013 and the Rules made thereunder, and we have fulfilled our ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Key Audit Matters

We have determined that there are no key audit matters to communicate in our report.

Information other than the Standalone Ind AS Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Annual Report but does not include the standalone Ind AS financial statements and our auditor's report thereon.

Our opinion on the standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone Ind AS financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to preparation of these standalone Ind AS financial statements that give a true and fair view of the state of affairs (financial position), profit or loss (financial performance, total comprehensive income), changes in equity and cash flows of the company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Ind AS financial statements, management of the company is responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors of the company are also responsible for overseeing the financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether these standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Ind AS financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone Ind AS financial statements, including the disclosures, and whether the standalone Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone Ind AS financial statements that individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone Ind AS financial statements may be influenced. We consider quantitative materiality and qualitative factors in planning the scope of our audit work and in evaluating the results of our work and to evaluate the effect of any identified misstatements in the standalone Ind AS financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in audit of the standalone Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in "Annexure A", a statement on the matters specified in paragraph 3 and 4 of the order, to the extent applicable.

2. As required by Section 143(3) of the Act, based on our audit we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account.
- d) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Indian Accounting standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2019 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- g) With respect to the other matters to be included in the Auditor's report in accordance with the requirements of section 197(16) of the act, as amended:

In our opinion and to the best of our information and explanations given to us, the remuneration paid by the company to its directors during the year is in accordance with the provisions of section 197 read with Schedule V to the Act.

h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us :

- i. The Company does not have any pending litigations which would impact its financial position in its standalone Ind AS financial statements.
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

- v.** According to the information and explanations given to us, the Company has not accepted any deposits from the public and hence the directives issued by the Reserve Bank of India and the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the Companies (Acceptance of Deposit) Rules, 2014 with regard to the deposits accepted from the public are not applicable.
- vi.** The maintenance of Cost records has not been specified by the Central Government under sub-section (1) of Section 148 of the Act, in respect of the business activities carried on by the Company. Thus reporting under Clause 3(vi) of the order is not applicable to the Company.
- vii.** According to information and explanations given to us in respect of statutory dues:
 - a.** The Company has generally been regular in depositing undisputed statutory dues including Provident Fund, Employees State Insurance, Income-Tax, Goods & Service Tax, Customs Duty, Duty of Excise, Cess and other statutory dues with the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of the above were in arrears as at 31st March, 2019 for a period of more than six months from the date on when they become payable.
 - b.** According to the information and explanations given to us, there are no dues of income tax, goods & service Tax, duty of customs, duty of excise, outstanding on account of any dispute.
- viii.** In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of dues to banks, governments and financial institutions. The Company did not have any debentures outstanding as at the year end.
- ix.** According to the information and explanations given to us, there were no monies raised by way of initial public offer or further public offer (including debt instruments) during the year and term loans raised during the year are applied for the purpose for which they were sanctioned.
- x.** To the best of our knowledge and according to the information and explanations given to us, we report that, no fraud by the Company or no material fraud on the Company by its officers or employees has been noticed or reported during the year.

xi. According to the information and explanations given to us and based on our examination of the records of the company, provisions of Section 197 of Companies Act, 2013 relating to managerial remuneration and restriction thereof are applicable to this company and the same were duly complied.

xii. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company. Therefore, clause 3(xii) of the Order are not applicable to the Company.

xiii. In our opinion and according to the information and explanations to us, the Company is in compliance with section 177 and 188 of Companies Act, 2013 where applicable, for all transactions with the related parties and the details have been disclosed in the standalone Ind AS Financial Statements as required by the applicable Indian accounting standards.

xiv. Based upon the audit procedures performed and the information and explanations given by the management, the company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review. Accordingly, the provisions of clause 3 (xiv) of the Order are not applicable to the Company and hence not commented upon.

xv. In our Opinion and according to the information and explanations given to us, during the year the company has not entered into any non-cash transactions with directors or persons connected with them as contemplated under provisions of Section 192 of Companies Act, 2013 and hence the provisions of clause 3 (xv) of the Order are not applicable to the Company and hence not commented upon.

xvi. In our opinion, the company is not required to be registered under section 45 IA of the Reserve Bank of India Act, 1934 and accordingly, the provisions of clause 3 (xvi) of the Order are not applicable to the Company and hence not commented upon.

"Annexure B" to the Independent Auditor's Report

[Referred to in paragraph (f) under the heading "Report on Other Legal and Regulatory Requirements" of our report of even date]

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of APEX FROZEN FOODS LIMITED ("the Company") as of 31st March, 2019 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended as of that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by The Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal financial controls over financial reporting issued by ICAI and the standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting includes obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our unqualified audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone Ind AS Financial Statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial

control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial control over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2019, based on internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to Financial Statements

for the year ended 31st March, 2019

1. Corporate information

Apex Frozen Foods Limited ("AFFL"- The Company) is a public limited company incorporated under "The Companies Act, 1956", with its registered office at Panasapadu, Kakinada under CIN No: L15490AP2012PLC080067. The Board of Directors consists of

i. Satyanarayana Murthy Karuturi	Managing Director
ii. Subrahmanya Chowdary Karuturi	Whole Time Director
iii. Neelima Devi Karuturi	Whole Time Director
iv. Chandrasekhar Raju Datla	Independent Director
v. Lakshmipathi Raju Mantena	Independent Director
vi. Venkata Subba Raju Datla	Independent Director

The Company is having Shrimp Processing facility at Panasapadu, Kakinada besides Pre-Processing plant at Tallarevu, East Godavari District. The Company is also having Farms & Prawn Hatcheries. Construction of New shrimp processing plant of 20,000 tons capacity per day at G. Ragampeta is in progress.

The Company has its listings on the Bombay Stock Exchange Ltd. and National Stock Exchange of India Ltd. The Financial statements of the company are approved for issue by the company's board of directors on 22nd May, 2019.

2. Basis of Preparation and Significant Accounting Policies

2.1 Basis of Preparation and compliance with Ind AS

Compliance with Ind AS: These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act. The accounting policies are applied consistently to all the periods presented in the financial statements.

2.2 Significant account policies

The preparation of financial statements requires the management of the Company to make estimates, judgements and assumptions that affect the reported balances of assets and liabilities and disclosures of contingent liabilities at the date of the Ind AS financial statements and reported amounts of income and expense during the year. Management believes that the estimates used in the preparation of the standalone financial statements are prudent and reasonable.

Accounting estimates could change from period to period. Actual results could differ from those estimates. Changes in estimates are reflected in the financial statements in the period in which the changes are made and, if material, their effects are disclosed in the notes to financial statements.

This note provides a list of significant accounting policies adopted during the preparation of these financial statements which have been consistently applied to all the years presented, unless otherwise stated.

i. Basis of Measurement

The standalone Ind AS Financial Statements have been prepared on a going concern basis using historical cost convention and on an accrual method of accounting, except for certain financial assets and liabilities which have been measured at fair value as described below and defined benefit plans which have been measured at actuarial valuation as required by relevant Ind AS.

Fair Value Measurement

The Company measures financial instruments, such as forward contracts at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

In the principal market for the asset or liability, or

In the absence of a principal market, in the most advantageous market for the asset or liability.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use. Fair value for measurement and /or disclosure purpose in these financial statements is determined on such basis, except for share based payment transactions that are within the scope of Ind AS 102, leasing transactions that are within the scope of Ind AS 17, and measurements that have some similarities to fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

ii. Functional and presentation currency

These standalone Ind AS Financial statements are prepared in Indian rupee which is the company's functional currency. All financial information presented in Rupees has been rounded to the nearest lakhs with two decimals.

iii. Revenue Recognition

The company derives majority of its revenue through export of processed shrimp to international customers. Revenue is measured at the fair value of the consideration received or receivable.

The Company recognizes revenue upon transfer of significant risks and rewards of ownership of goods to the customer, when the amount of revenue can be reliably measured and it is probable that the future economic benefits will flow to the entity.

iv. Income Taxes

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to the unused tax losses. Provision for current tax is made in accordance with provisions of the Income-tax Act, 1961.

The current income tax charge is calculated on the basis of the tax laws in force. The Management establishes provisions, where appropriate, on the basis of amounts expected to be paid to the tax authorities.

Deferred Tax is provided in full on all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the standalone financial statements. It is determined using tax rates that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realized or the deferred tax liability is settled.

Deferred Tax assets are recognized regarding all temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses.

The Deferred Tax Assets and Liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when deferred tax balance relates to the same taxation authority. Current Tax Asset and current tax liabilities are offset when the entity has a legally enforceable right to offset and intends either to settle on a net basis or to realize the asset and settle the liability simultaneously.

v. Leases

The company in capacity of a Lessee, holds many farm lands and hatcheries in which a significant portion of the risks and rewards of ownership are not transferred to the Company as lessee are classified as operating leases. Payments made under operating leases are charged to profit or loss on a straight line basis over the period of lease.

vi. Impairment of Assets

The company periodically tests its assets for impairment and if the carrying values are found in excess of recoverable value, impairment loss is recognized. The recoverable amount is higher of an asset's fair value less costs of disposal and value in use. There is no impairment loss or gain during the current financial year.

vii. Cash and Cash Equivalents

Cash and Cash equivalents for the purposes of Statement of Cash Flows includes Cash on hand, Cash at bank and Deposits.

viii. Trade Receivables

Trade Receivables are initially recognized at the amount for which Invoice is raised and subsequently restated with the RBI rate as at the end of the reporting period.

ix. Bad Debts

Bad Debts are written off to Profit and Loss account as and when the debt is determined as un-realizable as per opinion of the Management.

x. Inventories

Inventories comprises of Finished Goods, Work-In-Progress of Shrimp at Farms & Hatcheries and Stores & Spares. Finished goods are valued at lower of cost or net realizable value. Work-in-progress and Stores & Spares are valued at Cost.

xi. Other Financial Assets

Other Financial Assets include MEIS Receivable by the Company as at the end of the reporting period.

xii. Property, Plant and Equipment:

a) Property, Plant and Equipment

The Initial cost of property, plant and equipment comprises its purchase price, including the import duties and non-refundable purchase taxes, attributable borrowing costs of bringing an asset to working condition and location for its intended use. It also includes the present value of the expected cost for the decommissioning and removing of an asset and restoring the site after its use, if the recognition criteria for a provision are met.

Expenditure incurred after the property, plant and equipment have been put into operation such as repairs and maintenance are normally charged to the statement of profit and loss in the period in which the costs are incurred. Major inspection and overhaul expenditure is capitalized if the recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. All other repair and maintenance costs are recognised in the statement of profit and loss as incurred.

Gains and losses on disposal of an item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment, and are recognized net within other income/other expenses in statement of profit and loss.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss, when the asset is derecognised.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

b) Capital Work in progress

Assets in the course of construction are capitalized to capital work in progress account. At the point when an asset is capable of operating in the manner intended by the management, the cost of construction is transferred to the appropriate category of property, plant and equipment. Costs associated with the commissioning of an asset are capitalized when the asset is available for use but incapable of operating at normal levels until the period of commissioning has been completed.

c) Depreciation

Assets in the course of development or construction and freehold land are not depreciated. Other property, plant and equipment are stated at cost less accumulated depreciation and any provision for impairment. Depreciation commences when the assets are ready for their intended use.

Depreciation is calculated on the depreciable amount, which is the cost of an asset less its residual value. Depreciation on tangible assets has been provided on the straight line method as per the useful life prescribed in Schedule II to the Companies Act, 2013.

Depreciation methods, useful lives and residual values are reviewed at each financial year end and changes in estimates, if any, are accounted for prospectively.

xiii. Trade and Other Payables

These amounts represent liabilities that are unpaid for goods provided to the Company prior to the year end.

xiv. Borrowing Cost

Borrowing Cost directly attributable to the acquisition, construction or production of a qualifying asset are capitalized during the period of time that is required to complete and prepare the asset for its intended use. Qualifying assets are those assets that necessarily take a substantial period of time to get ready for their intended use. Other borrowing costs are recognized as an expense in the period in which these are incurred.

xv. Borrowings

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period.

xvi. Provisions:

Provisions are recognized when there is a present legal or constructive obligation as a result of past events that it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognized for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period.

These are reviewed at the end of each reporting period and adjusted to reflect the current best estimates. Contingent assets and liabilities are not recognized, however contingent liabilities are disclosed in Note No. 31.

xvii. Employee Benefits:**Gratuity:**

Gratuity is provided for the year under Defined Benefit Gratuity Plan as per the Actuarial valuation. The liability or asset recognized in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognized immediately in the statement of profit and loss as past service cost.

Provident Fund & E.S.I:

Expenditure pertaining to contributory provident fund and E.S.I account is charged to profit or loss.

xviii. Contributed Equity

Equity shares are classified as equity. Incremental costs directly attributable to the issue of new shares are shown in Other equity as a deduction (net of tax) from the IPO proceeds.

xix. Dividend:

The Board of directors at its meeting held on 22nd May, 2019 recommended a final dividend of Rs. 2 per equity share for the financial year ended March 31, 2019. This payment is subject to approval of shareholders in the ensuing Annual General Meeting of the Company and if approved, would result in a net cash outflow of Rs. 753.47 Lakhs including dividend distribution tax. The final dividend of Rs. 2 per equity share and the resultant expected cash outflow is based on the outstanding number of shares of the company as at March 31, 2019.

Generally, Provision is made for the amount of any dividend declared, if any, being appropriately authorized and no longer at the discretion of the entity, on or before the end of the reporting period but not distributed at the end of the reporting period. However, no Provision is made as it is yet to be approved by the Share Holders.

The following is a detailed description of carrying amount of Dividend payable by the company for the Financial Year 2017-18

xx. Earnings per Share

a) Basic Earnings per Share:

Basic Earnings per share is calculated by dividing the Profit attributable to Owners of the Company by the weighted average number of equity shares outstanding during the financial year.

b) Diluted Earnings per Share:

Diluted Earnings per Share adjusts the figures used in determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming conversion of all dilutive potential equity shares.

xxi. Rounding of Amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest Lakh as per the requirement of Schedule III, unless otherwise stated.

xxii. Critical Estimates & Judgments
